### **Student Diary**

Students should bring their student diaries to school daily for recording homework and reminders. We believe that fostering a sense of responsibility in students is essential for their overall development, and using the diary as a daily planner plays a crucial role in this endeavour.

### **Silent Reading**

Every morning, from 7.10 a.m. to 7.25 a.m., students are to be engaged in silent reading. We strongly encourage our students to bring either English or Mother Tongue storybooks daily. Your support in reinforcing this practice will play a crucial role in nurturing a love for reading in our students.

### **Remedial Classes (Selected mainstream students only)**

Remedial classes will be conducted on Mondays and/or Tuesdays, commencing in Term 1 Week 5 (29 January 2024 and/or 30 January 2024). Consent forms will be given to the selected students. Please make the necessary lunch and transport arrangements for your child if he/she is selected.

### **P5 Camp**

P5 Camp will be held at Home Team NS Bukit Batok. The camp will be from 14 February 2024 to 16 February 2024. More details will be provided later.

### **P5 Parents' Engagement**

The P5 Parents' Engagement will be held on 2 February 2024, from 3 p.m. to 4.30 p.m. The event will commence with a session led by the Principal and Year Head in the school hall, followed by engagement sessions with your child's form teachers in their respective classrooms. We look forward to meeting you during the session. Together, we can foster a supportive learning environment for your child to thrive.

### **P5 Subject Briefing Slides (For mainstream students only)**

These will be uploaded to the school website <https://www.henryparkpri.moe.edu.sg/circulars-and-forms/p5-term-letters-and-briefing-notes/>

### **Nurturing Lifelong Learners and Joy for Learning**

Since 2023, the P3 to P6 Mid-Year Examinations have been removed to free up time and space in schools to encourage joy and deep learning. Teachers will continue to pace out teaching and learning, using engaging pedagogies to deepen understanding and develop students towards TH.R.I.V.E.

Parents are encouraged to foster holistic approach through education at home by acknowledging and affirming your child's efforts in exploring and learning skills beyond the classroom. Beyond academic grades, do encourage your child to persist in cultivating positive learning habits as these directly influence the effort they are willing to invest in their education journey.

### **Communication with Parents**

Announcements and letters from the school will be sent directly to parents via Parents Gateway (PG). Teachers will also use PG to send consent forms and announcements. Please ensure that the notification for the app is turned on so that you receive information from the school in a timely manner.

### **Update of Contact Information**

In the event there are changes to your residential address, contact number or email address, please inform your child's Form Teacher.

We look forward to fostering a strong partnership with you so that your child can reach his/her full potential.

Warm regards,  
Mr Muhammad Sadhiq  
Year Head (Primary 5 and 6)
