Programme for Active Learning (PAL)

Programme for Active Learning (PAL) was introduced by the Ministry of Education (MOE) in 2011 and will be conducted for all Primary 1 and Primary 2 students. PAL aims to facilitate the well-rounded development of students in the five learning domains (cognitive, moral, social, aesthetics and physical) and help students to develop social and emotional competencies. The modules are experiential in nature and incorporate learning in a creative, fun, and enjoyable way. The following modules will be offered to Primary 1 students during curriculum time:

Semester 1		Semester 2	
Term 1	Term 2	Term 3	Term 4
-	Sports & Games	Performing Arts (PA) – Music	Performing Arts (PA) – Drama

Physical Education, Art, Music (PAM)

The Primary 1 Physical Education (PE) programme focuses on the development of fundamental movement skills through Dance and Games and Sports. Throughout the year, classes will take turns to participate in gymnastics enrichment lessons during curriculum time. There is also a strong emphasis placed on good safety practices and students will be taught how to lead an active and healthy lifestyle through the Physical Health and Fitness component.

The Art Education will be focused on Singapore's artists and artworks such as Chua Mia Tee and Vicente Delgado. Students will have discussions on artworks done by local artists and how they relate to their school life. They will be able to express their thoughts through their artworks using the various oil pastels techniques taught.

With respect to Music, the students will learn to sing the national anthem and our school song, appreciate music from Chinese culture in conjunction with Chinese New Year Celebrations, listen and describe sounds around us, move and play percussion instruments to the beat, and identify and perform loud and soft sounds.

E-Learning

The school will be using the Singapore Student Learning Space (SLS) platform to conduct e-learning. Students will be given a personal account to access online lesson packages and e-assignments by their subject teachers. The SLS account activation process for Primary 1 students will be carried out in school in Term 1.

Silent Reading

Every morning, the students will report either to the Lower Indoor Sports Hall or directly to their respective class and read their storybooks silently. We strongly encourage our students to bring English or Mother Tongue storybooks from Monday to Friday.

Student Diary

The student diary will be used as a means of communication between teachers and parents. Students should use the diary to take note of their daily homework and reminders from their teachers. We hope that you will check your child's student diary regularly.

Communication with Parents

Announcements on school matters will be posted on our school's website at <https://henryparkpri.moe.edu.sg/> Please visit the website regularly for updates.

In our efforts to go green, term letters will be sent directly to parents via Parents Gateway (PG). Teachers will also use PG to send consent forms and announcements. Please ensure that the notification for the app is turned on so that you receive these information in a timely manner.

In the event there are changes to your email address, please inform your child's form teachers as we need to update our emailing system. We look forward to fostering a strong partnership with you.

Warmest regards,
Ms Iris See
Year Head, Primary 1 & Primary 2
