Programme for Active Learning (PAL)

Programme for Active Learning (PAL) was introduced by the Ministry of Education (MOE) in 2011 and will be conducted for all Primary 1 and Primary 2 students. PAL aims to facilitate the well-rounded development of students in the five learning domains (cognitive, moral, social, aesthetics and physical) and help students to develop social and emotional competencies. The modules are experiential in nature and incorporate learning in a creative, fun, and enjoyable way. The following modules will be offered to Primary 2 students during curriculum time:

Semester 1		Semester 2	
Term 1	Term 2	Term 3	Term 4
Visual Arts	Outdoor Education	Performing Arts (PA) – Dance	-

Physical Education, Art, Music (PAM)

The Primary 2 students will continue their Physical Education (PE) programme from last year that will focus on their Fundamental Movement Skills (FMS). In Term 1, they will be undergo the Gymnastics and the Games and Sports modules. During Gymnastics, students will learn locomotor and non-locomotor movements. During Games and Sports, they will learn skills like throwing and catching through a series of fun activities and games.

The Art Education will be focused on artworks done by the world's famous artists such as Giuseppe Arcimboldo, Wassily Kandisky and Henri Matisse. Students will learn how feelings are expressed in artworks through guided discussions. Art techniques such as paper-cutting techniques will be taught.

For Music, the students will be learning to identify and perform strong and weak beats in triple and quadruple time, identify and perform music of different tempos, and appreciate music from Chinese culture in conjunction with Chinese New Year Celebrations.

Silent Reading

Every morning, the students will report either to the Lower Indoor Sports Hall or directly to their respective class and read their storybooks silently. We strongly encourage our students to bring English or Mother Tongue storybooks from Monday to Friday.

Student Diary

The student diary will be used as a means of communication between teachers and parents. Students should use the diary to take note of their daily homework and reminders from their teachers. We hope that you will check your child's student diary regularly.

Communication with Parents

Announcements on school matters will be posted on our school's website at <https://henryparkpri.moe.edu.sg>. Please visit the website regularly for updates.

In our efforts to go green, term letters will be sent directly to parents via Parents Gateway (PG). Teachers will also use PG to send consent forms and announcements. Please ensure that the notification for the app is turned on so that you could receive these information in a timely manner.

In the event there are changes to your email address, please inform your child's Form Teacher as we need to update our emailing system. We look forward to fostering a strong partnership with you.

Warmest regards,
Ms Iris See
