### **Student Diary**

Students should bring their student diaries to school daily to take note of their homework and reminders from their teachers.

### **Silent Reading**

Every morning, from 7.10 a.m. to 7.25 a.m., students are to be engaged in silent reading. We strongly encourage our students to bring either English or Mother Tongue storybooks daily.

### **Assessment (Mainstream students only)**

Assessments are conducted each term as shown in the table below.

	Term 1	Term 2	Term 3	Term 4
<b>Weightage</b>	Non-weighted	15%	15%	70%
<b>Assessment</b>	Term Review	Weighted Assessment 1 (WA1)	Weighted Assessment 2 (WA2)	End-of-year Examination (EOY)

There will be no mid-year examinations for Primary 5 students. Students will be given more time to participate in self-directed learning and develop 21st century competencies. Teachers can better pace and deepen students' learning through ongoing assessments to identify what students have mastered and the areas they need more support in.

More details pertaining the different assessments will be sent out later.

### **Remedial Classes (Selected mainstream students only)**

Remedial classes will be on Mondays and Tuesdays, commencing in Term 1 Week 5 (30 January 2023). Consent forms will be given to students selected for remedial. Please make the necessary transport arrangements for your child.

### **Subject Information**

The Form Teachers will be sending out more information on the above via Parents' Gateway (PG).

### **Communication with Parents**

Announcements and letters from the school will be sent directly to parents via Parents Gateway (PG). Teachers will also use PG to send consent forms and announcements. Please ensure that the notification for the app is turned on so that you receive information from the school in a timely manner.

### **Update of Contact Information**

In the event there are changes to your residential address, contact number or email address, please inform your child's Form Teacher.

We look forward to fostering a strong partnership with you so that your child can reach his/her full potential.

Warm regards,  
Mr Muhammad Sadhiq  
Year Head (Primary 5 and 6)
