23 September 2025

Dear Parents/Guardians,

## **Primary 3 Term 4 Level Matters**

Welcome back! We hope that your child has a good break over the September holidays. We have now come to the final term of the year. Here is an update of the activities in Term 4.

### **Grow Well SG**

Helping to create a supportive home, school and community environment for where healthy habits grow, one small step at a time through family bonds and friendship. Click [here](#) to find out more.

### **Supporting Your Child During the Exam Season**

With the examinations approaching, it is natural for children to feel some stress. This [Parent Kit](#) shares tips on how you can recognise signs of stress in your child, as well as ways you can support and encourage them during this period. We hope you will find it helpful.

### **Hi-Rise Programme – Learning Journey to the Science Centre**

HI-RISE stands for Holistic Integrated Real-World Inquiry & Synergistic Experience.

For this term, the overarching theme for P3 HI-RISE is Diversity in Science. The students will be visiting the Science Centre for their learning journey. More details will be shared by their form teachers via Parents Gateway closer to the date.

### **Parent-Teacher Meeting (PTM)**

A PTM for selected parents will be held on 24 September 2025 (Wednesday). Only the invited parents are requested to attend, allowing us to better address the specific needs of these students. It will be a normal school day for Primary 1–5 students, following the usual curriculum hours.

Further details have been shared with the selected parents. Should you have any questions or concerns, please contact your child's form or subject teacher.

### **Promotion from Primary 3 to Primary 4**

At the end of Primary 3, our 8 classes of students will be promoted en-bloc to their mixed-ability Primary 4 classes in 2026 except for students selected for the Gifted Education Programme (GEP).
