18 September 2025

Dear Parents/Guardians,

## **Primary 5 Term 4 Level Matters**

We hope that you and your child had a restful and meaningful break. As we begin the new term together, we look forward to partnering with you to support your child's growth and learning in the months ahead.

### **1. Supporting Your Child During the Exam Season**

With the examinations approaching, it is natural for children to feel some stress. This Parent Kit shares tips on how you can recognise signs of stress in your child, as well as ways you can support and encourage them during this period. We hope you will find it helpful:

### **2. Helping Our Children Grow Well**

As part of the national Grow Well SG initiative, we are committed to helping our children build healthy habits together with you. When we work hand in hand, our children can grow well and thrive through the routines and support they experience at home and in school. For more ideas and resources, please visit the following link:

### **3. Interest-based Learning Journey**

Our Primary 5 students have indicated their choices for the upcoming Learning Journey based on their individual interests. This experience is designed to help them discover their strengths and extend their learning beyond the classroom. It also gives students opportunities to develop their social-emotional competencies and to take ownership of their learning. With the variety of LJs available, we believe every child will be able to take part in a meaningful and enriching experience.

Each child will be allocated one LJ based on their choices. He/She will report to school on one of the PSLE marking days (13 – 15 October) to attend the allocated LJ. More detailed information, including the specific date and timing for your child, will be shared with you closer to the date.

We look forward to your child having a meaningful and memorable experience.

Warm regards,  
Mr Muhammad Sadhiq  
Year Head (Upper Primary)
