Dear Parents/Guardians,

## **Primary 2 Term 1 Level Matters**

On behalf of all Primary 2 teachers, I would like to warmly welcome you and your child to the 2026 academic year. We look forward to getting to know your child better and supporting them through the year.

## **Primary 2 Assistant Year Head and Class Form Teachers**

First, I would like to introduce Miss Lam Yuen Kay, our Primary 2 Assistant Year Head. She will be supporting me in matters related to the Primary 1 level and helping to ensure that our students learn in a safe, respectful and disciplined environment. Our aim is to provide meaningful learning experiences for every child and to guide them in developing values that will support their well-being in the long run.

The form teachers of the Primary 2 classes are listed in the table below. Should you have any questions about your child or any school-related matters, you may contact our teachers via email.

### **Programme for Active Learning (PAL)**

Programme for Active Learning (PAL) was introduced by the Ministry of Education (MOE) in 2011 and will be conducted for all Primary 1 and Primary 2 students. PAL aims to facilitate the well-rounded development of students in the five learning domains (cognitive, moral, social, aesthetics and physical) and help students to develop social and emotional competencies. The modules are experiential in nature and incorporate learning in a creative, fun, and enjoyable way. The following modules will be offered to Primary 2 students during curriculum time:

Semester 1		Semester 2	
Term 1	Term 2	Term 3	Term 4
Visual Arts	Performing Arts (PA) – Dance	Sports & Games	Outdoor Education

### **Physical Education, Art and Music (PAM)**

The Primary 2 students will continue their Physical Education (PE) programme from last year, focusing on Fundamental Movement Skills (FMS). In Term 1, they will engage in Gymnastics and the Games and Sports modules. In Gymnastics, students will acquire skills in both locomotor and non-locomotor movements. During Games and Sports, they will participate in enjoyable activities and games, enhancing skills such as dribbling with hands, throwing and catching.

The Art Education programme in Primary 2 will centre on two artworks: "The Snail" by Henri Matisse and "Rawa-Rawa" by Sarkasi Said. By delving into the narratives behind these artworks and comparing the use of lines, shapes, and colors to depict intriguing aspects of animals, students will gain insights into different artistic techniques and styles. This exposure will inspire them in creating their own paper animal collages.

In the realm of Music, students will explore performing a steady beat on both body percussion and percussion instruments while singing. They will also delve into solfege hand signs, adapt lyrics to a short song, and appreciate music from Chinese culture, aligning with the Chinese New Year celebrations.

### **Silent Reading**

Every morning, the students will report either to the school hall or directly to their respective class and read their storybooks silently. We strongly encourage our students to bring English or Mother Tongue storybooks from Monday to Friday.

### **Student Diary**

The student diary will be used as a means of communication between teachers and parents. Students should use the diary to take note of their daily homework and reminders from their teachers. We hope that you will check your child's student diary regularly.

### **Communication with Parents**

Announcements on school matters will be posted on our school's website at <https://henryparkpri.moe.edu.sg>. Please visit the website regularly for updates.

**In our efforts to go green, term letters will be sent directly to parents via Parents Gateway (PG). Teachers will also use PG to send consent forms and announcements. Please ensure that the notification for the app is turned on so that you could receive information in a timely manner.**

In the event there are changes to your email address, please inform your child's Form Teacher as we need to update our emailing system. We look forward to fostering a strong partnership with you.

### **Building Confidence through Back-to-School Routines**

Back-to-school transitions are smoother when children feel safe and prepared. Building consistent routines for sleep, meals, and homework, while encouraging kids to share their feelings and practice simple coping skills like deep breathing will help them in this transition. These small daily habits can strengthen confidence and emotional readiness for school. Read more about it [here](#).

Warmest regards,  
Ms Iris See  
Year Head, Primary 1 & Primary 2
