### **Student Diary**

Students should bring their student diaries to school daily for recording homework and reminders. We believe that fostering a sense of responsibility in students is essential for their overall development and using the diary as a daily planner plays a crucial role in this endeavour.

### **Silent Reading**

Every morning, from 7.10 a.m. to 7.25 a.m., students are to be engaged in silent reading. We strongly encourage our students to bring either English or Mother Tongue storybooks daily. Your support in reinforcing this practice will play a crucial role in nurturing a love for reading in our students.

### **P5 Camp**

The P5 Camp will be held at HomeTeam NS Bukit Batok Adventure Centre. The camp will be from 19 to 21 January 2026. More details will be provided later.

### **P5 Parents' Engagement**

The P5 Engagement will be held on 9 January 2026 from 2.45 p.m. to 4.30 p.m.

The event will begin in the school hall with an address by the Principal and Assistant Year Head. This will be followed by a camp briefing conducted by the teachers-in-charge. After this, you will proceed to your child's classroom for an engagement session with their form teachers.

We look forward to meeting you during this meaningful session. Together, let us create a supportive and enriching environment where your child can thrive.

### **Assessments Schedule and Subject Briefing Slides (For Mainstream Students only)**

These resources will be uploaded to the school website. A Parent Gateway (PG) announcement will be sent to notify you once they are available.

### **Nurturing Lifelong Learners and Joy for Learning**

Since 2023, the P3 to P6 Mid-Year Examinations have been removed to free up time and space in schools to encourage joy and deep learning. Teachers will continue to pace out teaching and learning, using engaging pedagogies to deepen understanding and develop students towards TH.R.I.V.E.

Parents are encouraged to foster holistic approach to education at home, acknowledging and affirming your child's efforts in exploring and learning skills beyond the classroom. Beyond academic grades, encourage your child to persist in cultivating positive learning habits as these directly influence the effort they are willing to invest in their education journey.

### **Communication with Parents**

Announcements and letters from the school will be sent directly to parents via Parents Gateway (PG). Teachers will also use PG to send consent forms and announcements. Please ensure that the notification for the app is turned on so that you receive information from the school in a timely manner.

### **Update of Contact Information**

To ensure that we can contact you when needed, please update your contact number, email address, and/or home address in Parents Gateway (PG) whenever there is a change.

We look forward to fostering a strong partnership with you so that your child can reach his/her full potential.

Thank you.

Warm regards,  
Ms Rajesheela D/O Rajanthiran  
Assistant Year Head (P5)
