## **Primary 5 Assessment Schedule (Terms 1 – 3)**

***(Mainstream students only)***

Dear Parents/ Guardians,

The assessment structure for the examinable subjects (English Language, Mathematics, Science and Mother Tongue) is as follows:

	Semester 1		Semester 2	
	Term 1	Term 2	Term 3	Term 4
Weighting	0%	15%	15%	70%
Assessment	Non-weighted Assessments	Weighted Assessments	Weighted Assessments	End-of-Year (EOY) Examinations

### **Non-weighted Assessments**

There are no weighted assessments in Term 1. The subject teachers will be carrying out formative assessments to monitor the students' learning. There will be no make-up for students who are absent on the day of assessment.

### **Weighted Assessments**

There will be weighted assessments in Terms 2 to 4. Refer to Annex A for the weighted assessments schedule for Terms 2 and 3. Your child's subject teachers will inform the class of the actual date of the assessment two weeks before the assessment. Please note that the Term 4 assessment schedule will be shared with you at a later date.

There is no make-up available for students who are absent on the day of the assessment. If your child is absent for the assessment, his/her subject teacher will pass the assessment paper to him/her for practice. It will not be counted as a weighted assessment. Marks will be pro-rated for students who submit their medical certificate (MC). A mark of zero will be given for students who are absent without a reason deemed valid by the school.

## Examination Conduct for Weighted Assessments

Please remind your child that only authorised items are allowed to be brought into the assessment venue. Kindly refer to the checklist below.

Items allowed	Items <u>not</u> allowed
<ul style="list-style-type: none"><li>◆ Stationery such as 2B pencils, soft erasers, sharpeners, blue / black pens</li> <li>◆ Standard mathematical instruments, such as rulers, protractors, set-squares</li></ul>	<ul style="list-style-type: none"><li>◆ Electronic / communication / entertainment / gaming devices</li> <li>◆ Study notes / books / papers</li> <li>◆ Instruction leaflets containing mathematical formula / conversion table / instructions</li> <li>◆ <b>Non-standard mathematical instruments e.g. model rulers</b></li></ul>

This checklist is in line with the SEAB guidelines for national assessments.

## Good Practices for Daily Work

Please remind your child to write his/her answers legibly with a blue or black ball-point pen. If a change of answers is needed, please cross them out and re-write the answers. Use of correction fluid or tape or highlighting any part of the answers is not necessary. It is important to practise these habits for both work tasks assigned in school and at home.
