5 January 2026

Dear Parents/Guardians,

Primary 6 Term 1 Level Matters

Happy New Year to you and your family. As we begin the new school year, we look forward to welcoming our students back and working in partnership with you. Please refer to the information below for important details for this term.

Year Head and P6 Class Form Teachers

I am Mr Muhammad Sadhiq, the Year Head overseeing the Primary 6 level. Together with the P6 Form Teachers, we are committed to fostering a safe and nurturing learning environment where every Primary 6 student is empowered to thrive and reach their full potential.

The form teachers of the Primary 6 classes and their email addresses can be found on the school website. Our teachers can be contacted via email if you have any queries about your child or school-related matters.

Building Confidence through Back-to-School Routines

Back-to-school transitions are smoother when children feel safe and prepared. Building consistent routines for sleep, meals, and homework, while encouraging children to share their feelings and practice simple coping skills like deep breathing will help them in this transition. These small daily habits can strengthen confidence and emotional readiness for school. Read more about it [here](#).

Grow Well - Make Every Healthy Moment a Family Moment

Healthy habits can be simple, playful and part of everyday family life. With Grow Well SG, you will find practical tools and ideas to turn healthy activities into fun bonding opportunities that bring you and your children closer! More resources available [here](#).

Student Diary

Students should bring their student diaries to school daily for recording homework and reminders. We believe that fostering a sense of responsibility in students is essential for their overall development and using the diary as a daily planner plays a crucial role in this endeavour.

Silent Reading

Every morning, from 7.10 a.m. to 7.25 a.m., students are to be engaged in silent reading. We strongly encourage our students to bring either English or Mother Tongue storybooks daily. Your support in reinforcing this practice will play a crucial role in nurturing a love for reading in our students.

Communication with Parents

Announcements and letters from the school will be sent directly to parents via Parents Gateway (PG). Teachers will also use PG to send consent forms and announcements. Please ensure that the notification for the app is turned on so that you receive information from the school in a timely manner.

P6 Parents' Engagement

The P6 Parents' Engagement will be held on 30 January 2026, from 3 p.m. to 4.30 p.m. The event will commence with a session led by the Principal and Year Head in the school hall, followed by engagement sessions with your child's form teachers in their respective classrooms. We look forward to meeting you during the session. Together, we can foster a supportive learning environment for your child to thrive.

Nurturing Lifelong Learners and Joy for Learning

Since 2023, the P3 to P6 Mid-Year Examinations have been removed to free up time and space in schools to encourage joy and deep learning. Teachers will continue to pace out teaching and learning, using engaging pedagogies to deepen understanding and develop students towards TH.R.I.V.E.

Parents are encouraged to foster a holistic approach to education at home by acknowledging and affirming their children's efforts in exploring and learning beyond the classroom. Beyond academic grades, encourage your child to persist in cultivating positive learning habits as these directly influence the effort they are willing to invest in their educational journey.

Assessment Schedule and Subject Briefing Slides (For Mainstream Students only)

These resources will be uploaded to the school website. A Parent Gateway (PG) announcement will be sent to notify you once they are available.

Update of Contact Information

To ensure that we can contact you when needed, please update your contact number, email address, and/or home address in Parents Gateway (PG) whenever there is a change.

We look forward to fostering a strong partnership with you so that your child can reach his/her full potential.

Warm regards,
Mr Muhammad Sadhiq
Year Head (Upper Primary)
Henry Park Primary School
