## **INFORMATION SHEET ON SCHOOL BUS SERVICES**

Dear Parents

### Introduction

Currently, the school appoints one or more school bus operators to help parents make transport arrangement for their children. The school will invite proposals from operators registered with the Government Electronic Business Centre (Gebiz) and select the operators who can deliver the services required and have submitted the most competitive prices in term of base fare. Parents will then engage the appointed bus operators to agree on the actual bus fare, taking into account the distance, route and other factors such as the seating capacity of the bus. The contract period is normally about 2-3 years. When the contract expires, the school will go through the procurement process again.

### Enhanced Process

2. We have enhanced the process under the MOE School Bus Service Pilot Project which will take effect from January 2020 as follows:

- a. The school will extend the invitation for proposals for bus services to all interested bus operators so as to attract more competitive offers. To achieve this, the school will advertise the invitation at the Information Notice Board for School Bus Services (IBSB) website developed by MOE HQ.
- b. Interested bus operators will be required to submit the 'Not-To-Exceed' (i.e. the maximum) fare for each distance benchmark (i.e. 2km, 4km, 6km and 8km). These fares will help parents negotiate with the appointed school bus operators, if there is a need to do so. The bus fares will not go beyond the NTE during the service period. For students staying beyond the maximum distance range, parents will negotiate fares with the bus operator.
- c. The annual bus fares will be payable over 9 months in a school academic year. The collection months are January, February, March, April, May, July, August,

September and October. There will be no collections for the months of June, November and December. Please refer to the illustration in Appendix A.

- d. The school will publish the fares quoted by the appointed bus operators in the IBSB website at <https://schadmsvc.moe.gov.sg/moeibsb/> for viewing by parents. Parents can also access the IBSB website through the 'Info for School Bus Services' button in MOE Internet Homepage (at <http://www.moe.gov.sg/>).
